

Reopening Belgian Nursery:

We at Belgian Nursery are excited to announce that we will be reopening to walk-in customers on Wednesday October 14th! We've made some great changes and are looking forward to sharing them with you. Our #1 priority is the health and safety of our customers and staff, while still providing the great shopping experience and quality you've come to expect.

In addition to new layouts and displays, and the new local Artisan Shoppe featuring local and unique vendors, we are growing back to our roots by streamlining the plants and products that we offer. Belgian will continue to carry the following plants and products year-round: Tropical Houseplants, Cacti & Succulents, Orchids & Bonsai, Decorative Pots, Garden Decor and Supplies. During their seasons, we will also continue to carry Annuals (including Hanging Baskets & Planters), Vegetable Plants, Fresh Potted Herbs, and Perennials. As we focus on these core items, we have cut back some of the overgrowth. Plants and products that have been discontinued include: Shrubs, Waterplants, Poinsettias, and Artificial & Cut Flowers.

We will continue to be open year-round, however we have "pruned" some of our hours – please check our website for year-round and holiday hours. We know that there are lots more questions about our reopening, so please click here for our FAQ page.

We'd like to thank our customers for their support over the past 61 years, and we are looking forward to welcoming you back on October 14th and beyond.

Belgian Nursery Artisan Shoppe:

NEW at Belgian Nursery! Belgian Nursery is excited to partner with Local Artisans in our new Artisan Shoppe. Located in the Main Store, the Belgian Nursery Artisan Shoppe is a year-round selection of artists & artisans whose work is handmade, uniquely designed and original. Produced in Canada.

FAQS

Do I have to wear a mask?

Yes, all customers and staff must wear a mask or face covering while on Belgian property, including inside and outside display areas, unless they have a valid medical exemption.

Can I bring my dog / pet with me?

Unfortunately we ask that you leave your pets at home right now. Service animals with documentation are permitted.

Do you offer curbside pickup?

We will be offering curbside pickup for those customers who are not comfortable shopping in person. All orders must be picked up at our location as we do not deliver.

To place an order, please email us at info@belgian-nursery.com with your name and phone number, and one of our associates will be in touch by phone, or call us at 519-648-2608. See our Curbside Pickup Details Sheet for more information.

Can I still shop through your online store?

At this time, our online store is closed and we do not offer the option to shop online.

Will you still have sitting areas and/or chairs available?

Sitting areas will continue to be available in the greenhouse for customers. Seating areas may not be sanitized on a regular basis, please use at your own discretion.

Do you still offer a repotting service?

Yes, we are happy to repot plants at the time they are purchased; potting fees still apply. However, at this time we are unable to repot any pre-owned plants or pots.

Where is Marley?

Our umbrella cockatoo Marley has fallen in love with a new family and is enjoying his forever home on a farm in the country. We are very grateful for the laughs and enjoyment that Marley was able to bring to staff and customers at the greenhouse, and know that he will do the same with his new family for many years to come.
